

Fondations Capital wins the award for the “Best French Mid-Market Fund” at the 2013 Private Equity Magazine Awards

Paris, on February 20th, 2013

Fondations Capital won the 2013 award for the “Best French Mid-Market Fund” at the 8th Private Equity Magazine Awards ceremony which was held on 18 February 2013 at the Athénée Théâtre Louis Jouvet in Paris.

Each year, Private Equity Magazine forms a jury composed of leading private equity executives active in the French market which grants awards based on the overall quality of the team and its performance throughout the year.

Xavier Marin, Chairman of Fondations Capital, declares: “We are very pleased to receive this award. During the year 2012, Fondations Capital completed two new investments, Buffet Group and Sepur, and our portfolio companies realized two transforming build-up acquisitions: the acquisition of Novadal by Alkern and the acquisition of the German company B&S GmbH by Buffet Group. These four transactions represent an aggregate enterprise value of ca. 200 million euro”.

About Fondations Capital :

With ca. 300 million euro under management, Fondations Capital is an independent private equity firm which invests in mid-size French companies. Acting as a responsible and committed investor, Fondations Capital is dedicated to create value through growth and innovation leveraging on the strengths and know-how of its portfolio companies. Fondations Capital is currently the controlling shareholder of Alkern (€150 million revenues, 800 employees), the largest independent producer of concrete products in the French and Belgian markets, Courtepaille (€283 million revenues, 3,700 employees), the second largest player in the French casual dining market, Buffet Group (€80 million revenues, 750 employees), the second largest wind instrument producer and distributor in the world and Sepur (€148 million, 2,000 employees), the second largest municipal waste collection and urban cleaning operator in the greater Paris region.
