

## **Amaury Lefébure joins Fondations Capital as Partner**

*Paris, September 14<sup>th</sup>, 2015.* Rich of a strong experience in corporate finance and advisory acquired in leading international financial institutions, Amaury Lefébure joins Fondations Capital as Partner. He brings to Fondations Capital his large transactional experience as well as his management skills.

Xavier Marin, Co-Founder and Chairman of Fondations Capital: *“I am thrilled to have Amaury joining Fondations Capital as a Partner. His excellent knowledge of the French mid-cap market combined with the experience he acquired in top-tier financial institutions will significantly contribute to the future development of Fondations Capital and to the transformation of our portfolio companies”.*

Amaury Lefébure, Partner of Fondations Capital: *“I am very excited to join Fondations Capital and to contribute both to the value creation within a quality portfolio and to participate in the development of new investments, in particular with our Chinese partners”.*

-----

**Amaury Lefébure**, 43 years old, HEC graduate, started his career at L'Oréal in Kuala Lumpur (1997 – 1998) before joining ING Barings in Paris, as an Analyst within the Corporate Finance team (1998 – 2000). He then joined the M&A department of JPMorgan in Paris where he worked on all types of transactions involving French groups, then in London where he specialized in transactions in the Technology sector until 2006. Amaury Lefébure then moved to BNP Paribas Corporate Finance, first as Director in the Technology sector team (until 2009), then within the French Domestic Market team where he was Managing Director, Head of mid-cap until summer, 2015.

### About Fondations Capital

Fondations Capital manages ca. 600 million Euros of assets through three funds (Fondations Capital I, LBO Partners Fund I and LBO Partners Fund II), investing in mid-size companies. Fondations Capital investment portfolio comprises 12 companies, representing aggregated revenues of 1.3 billion Euros and employing together more than 16,000 people. It includes in particular Buffet Group, the world's second largest manufacturer and distributor of wind instruments, Mazarine, the leading French communication agency specialized in luxury and high-end brands, and Talentia, a publisher and integrator of enterprise software solutions. Acting as a committed investor, Fondations Capital is dedicated to responsibly creating value by transforming the size and scale of its portfolio companies through innovation, international development and industry consolidation.
